VIRGINIA COLLEGE CIVIC LEADERS SUMMER PROGRAM

The Virginia College Civic Leaders Program serves to develop future leaders in the public sector through a curriculum focused on leadership and public policy. Each year, the program examines public policy in a key economic sector in Virginia, analyzing the current landscape, key stakeholders, related issues, and their implications for society and democracy. This summer, the curriculum will focus on health care.

The Virginia College Civic Leaders Program is open to rising Sophomores, Juniors and Seniors living in Virginia for the summer. The program will take place primarily over Zoom and will require a time commitment of approximately 15-18 hours per week during the duration of the program and a full day in-person at UVA in early August. Program dates are July 1- August 4, 2024.

Send a cover letter explaining your interest in the program, your resume, and an unofficial transcript to Larry Roberts at larry.roberts@virginia.edu. You may also submit a letter of recommendation. You may direct any questions to Larry Roberts.
