## **TAKE FLIGHT**

Our **BS in Leadership and Organizational Management (LOM) with an Aviation Concentration** produces aviation leaders who will build the future of the aviation industry. Although a college degree is not a requirement for becoming a pilot, a collegiate degree is the preferred path for aviation professionals, including, but not limited to, airline pilots, charter pilots, and mission aviators.

*THE LOM WITH THE AVIATION CONCENTRATION IS COMPRISED OF 120 CREDITS. ALL AVIATION AND LEADERSHIP COURSES ARE IN PERSON.*
