

MID-WEEK MOTIVATOR

EMU CAREER SERVICES: APRIL 15-21

LD&B FINANCIAL SERVICES SUMMER INTERNSHIP

The Financial Services Intern will participate in an educational experience in financial services which includes a range of risk and securities products. The Financial Services Intern provides service and support to the division, including importing and exporting data into various information systems, compiling, reviewing and verifying information, and other tasks assigned by division personnel. This individual will spend time with division professionals to experience working with clients through observation and customer service.

Applicants should have strong communication, organizational and interpersonal skills, and working knowledge of technology, including Microsoft Office. If interested, email your resume to careers@ldbinsurance.com.

SUMMER SOFTWARE DEVELOPMENT OPPORTUNITY

DuPont Community Credit Union (DCCU) is looking for rising or current college students who are seeking the opportunity to learn about working in the financial industry and to improve their professional, technical, and coding skills. This is a great opportunity for local students to gain professional experience by providing seasonal assistance to DCCU's IT Department at the Operations Center in Waynesboro, Virginia. Students will work closely with professional developers and should be team-oriented and able to work in fast-paced environments. If interested, email your resume to hr@mydccu.com by Wednesday, April 24.

VIRGINIA COLLEGE CIVIC LEADERS SUMMER PROGRAM

The Virginia College Civic Leaders Program serves to develop future leaders in the public sector through a curriculum focused on leadership and public policy. Each year, the program examines public policy in a key economic sector in Virginia, analyzing the current landscape, key stakeholders, related issues, and their implications for society and democracy. This summer, the curriculum will focus on health care.

The Virginia College Civic Leaders Program is open to rising Sophomores, Juniors and Seniors living in Virginia for the summer. The program will take place primarily over Zoom and will require a time commitment of approximately 15-18 hours per week during the duration of the program and a full day in-person at UVA in early August. Program dates are July 1- August 4, 2024.

Send a cover letter explaining your interest in the program, your resume, and an unofficial transcript to Larry Roberts at larry.roberts@virginia.edu. You may also submit a letter of recommendation. You may direct any questions to Larry Roberts.

PROMISE CAMP HIRING SUMMER STAFF

For over 40 years, Promise Camp has been providing a quality summer experience for historically under-served Pittsburgh area children. Every summer, hundreds of kids (ages 7-17) learn about the promise of Jesus Christ, while enjoying a variety of traditional summer camp experiences and making lasting relationships.

One of the Promise Camp distinctives is the highly relational environment with a 3:1 camper to staffer ratio. Campers live in community with highly trained college-aged counselors. The gospel is presented daily to campers and counselors who are ready to answer questions and help campers understand the message being shared. In addition, many Promise Camp activities instill self-confidence and help campers develop team-building and relational skills.

Camp Counselors are needed June 12- August 3, 2024. Visit www.promise.camp/apply to complete an application or contact Matt Chamberlain, Camp Director, for more information, matt@promise.camp.
