

Suter Science Seminars 2017-18

STEM Student Research Symposium

Wednesday, December 6, 2017

4 p.m. Science Center, room 106

Student Research Symposium includes up to eight individual student research or project oral presentations representing STEM majors: biology, chemistry, mathematics, computer science, engineering, and psychology.

Guidelines:

- ▶ Up to eight 10-minute presentations given, plus 3-5 minutes audience Q & A with each presentation
- ▶ Potential student presenters submit the following information, by 8:00 a.m. on Wednesday, November 29, to diane.bowman@emu.edu: name, academic year, hometown, major, photo, presentation title, abstract and bio (each 150 words or less).
- ▶ Acceptance/rejection of abstract announced within one working day.
- ▶ 1st, 2nd, 3rd, and honorable mention certificates awarded by a panel of judges
