- No hablan inglés
- Hablan como Mexicanos

Puerto Rican & European Spanishes

Descended from Latin Spanish grammar

Incorporate words from other languages (including but not limited to English) that have become Spanish

An accent unique to their regions

Spanglish

Mix of two distinct grammar systems

Mix of two distinct sets of vocabulary

Creation of new words unique to Spanglish

Possible switching between two different accents

Repetition of words ("pero, like"; "so entonces")

American English

Descended from Old Germanic English grammar

Incorporate words from other languages (including but not limited to Spanish) that have become English

An accent unique to their regions
