EXPLORE

EMU IS NOT JUST AN EDUCATION, IT'S AN EXPERIENCE.

CROSS-CULTURAL

Our immersive study abroad experience. For 40+ years, EMU's cross-cultural program has been called "life changing" by students, developing self-awareness in a global perspective and critical thinking skills. As a participant in the program, you travel to another part of the world with an EMU professor and a group of 10-20 students. The difference is, we don't send you alone, we go TOGETHER.

WE HAVE TRAVELED TO **80** LOCATIONS
AROUND THE GLOBE AND IN THE US

Besides a modest travel fee, there is no additional cost beyond your regular tuition, fees and room and board for your semester abroad.

FINANCIAL AID

If you want to attend EMU, we are committed to working with you and your family to make it affordable.

FAFSA

First things first, we recommend that all students file the Free Application for Federal Student Aid (FAFSA) to access all potential aid. You may complete the FAFSA any time after October 1.

EMU CODE: 003708

BASIC COMPONENTS OF YOUR FINANCIAL AID PACKAGE

Scholarships

These scholarships are the most important part of the financial aid package and are determined by a student’s cumulative high school GPA and the highest SAT combined score or ACT composite score. These scholarships can be upgraded through January of the student’s senior year.

HONORS SCHOLARSHIP	\$21,000
ACADEMIC SCHOLARSHIP	\$20,000
UNIVERSITY SCHOLARSHIP	\$18,500
COMMUNITY GRANT	\$15,000

These scholarships are renewable up to five years as long as you maintain a GPA above 2.0.

TIP: Students are encouraged to research and apply for local community and church scholarships that may be available to them. Your school counselor can help you find those opportunities early in your senior year of high school. A national scholarship database is also available at www.fastweb.com

ADDITIONAL SCHOLARSHIPS

Scholarships range from \$500-\$3,000 and are available in the following programs for the upcoming school year:

- Education
- Engineering
- Math
- STEM related majors
- Business
- Music (majors and non-majors)
- Theater
- Visual and Communication Arts

Visit emu.edu/financial-aid/grants to learn more about: Endowed scholarships, EMU need-based grants, AHANA student grant, local Latino grant, international grant, alumni dependent grant, church grant.

THE AVERAGE STUDENT LOAN DEFAULT RATE FOR AN EMU GRAD IS **UNDER 3%** (the national average is nearly 12%).

Excellent post-grad employment rates, quality internships, and an unbeatable work ethic have a lot to do with that.

NEARLY 100% OF UNDERGRADS
RECEIVE FINANCIAL AID.

THE AVERAGE ASSISTANCE PACKAGE
IS **OVER \$36,000.**

OVER \$16 MILLION IN AID WILL BE
AWARDED BY EMU IN 2019-20.

FEDERAL AND STATE GRANTS (GIFT AID)

VTAG: All Virginia residents receive the Virginia Tuition Assistance Grant (VTAG), which is estimated at \$3,400 each year.

GI Bill and Yellow Ribbon Program: EMU participates in the GI Bill and Yellow Ribbon Program. Contact your VA to find out what benefits you are able to apply to your education.

Federal Grants: Your FAFSA information may unlock need-based grants and loans. Our professionally trained staff are on hand to explain what each item means.

Make sure you go through the financial aid process. Award letters are sent in the early spring semester and the cost of an EMU education usually compares favorably to that of large public universities.

You can estimate your merit-based scholarship using the calculator on our website.

DID YOU KNOW

- ▶ **The biochemistry program** has joined the ranks of a select group accredited by the American Society for Biochemistry and Molecular Biology (ASBMB). Nationally, fewer than 75 colleges and universities have this accreditation, including only five others in Virginia.
- ▶ **The visual and communication arts (VACA) program** offers one of two nationally recognized conservation photography courses (the other is taught at Stanford). EMU students earned prestigious North American Nature Photography Association College Scholars Awards in 2015, 2017, and 2019. VACA students have launched careers at Facebook, National Geographic, and Rosetta Stone to name but a few organizations.
- ▶ **EMU's cross-cultural program** — a graduation requirement for more than 40 years — ranked #13 nationally as a top college to study abroad. Faculty have introduced students to cultural learning through educational travel in more than 80 locations around the globe.
- ▶ **Student-athletes** compete at the NCAA Division III level in the competitive Old Dominion Athletic Conference (ODAC). Athletes and whole teams are regularly recognized for outstanding academic success.
- ▶ **The Suter Science Center's new engineering labs** provide teaching and research space for the growing program and its award-winning students.
- ▶ **EMU is the first university in Virginia to build a microgrid** to power the campus independently of the local utilities if needed. LEED-certified residence halls and other energy-efficient buildings continue to place EMU among the top schools nationally in energy efficiency.
- ▶ **EMU is one of the only small liberal arts schools with an internship program in Washington, DC** that is supported by DC-based EMU faculty and a bricks-and-mortar facility.
- ▶ **An EMU team placed second out of 62 teams in an international cryptanalysis competition** and one of only 15 teams to achieve Master Codebreaker status.

RANKINGS AND RECOGNITIONS

- ▶ **EMU is a Forbes Best Return on Investment (ROI) University.** The Grateful Grads Index ranks colleges based on alumni satisfaction with their college experience and the success of grads.
- ▶ **Princeton Review ranked EMU as a top "Green College."**
- ▶ **The 2019 US News & World Report lists EMU as one of the "Best Colleges" in the regional south.**

Alternative Programs

Central America Study and Service (CASAS)

<http://semilla.org.gt/ingles/CASAS/casas.html>

CASAS, a 12-week summer program based in Guatemala City, offers students an independent summer immersion experience. Coursework includes Spanish language studies, Introduction to Central America, and elective courses chosen from religion, anthropology, sociology, and peace studies. Students participate in orientation activities, home stays, internships, and numerous field excursions. Application materials and information are available on-line. Short-term Spanish study is also available. Students register through EMU with approval from Intercultural Programs.

Amizade Study Abroad

<http://amizade.org>

Amizade provides programs in global service and learning for a more just and joyful world. Study and volunteer work is rooted in the values of peace and justice and provide opportunities for students to meet EMU requirements while studying at a foreign university. Students consult with Intercultural Programs for general information and work with their advisors in choosing appropriate coursework or service experience. Application materials and information are available on-line. Completed applications must receive approval from EMU Intercultural Programs, in order to arrange financial assistance and receive credit through EMU. Amizade offers programs in the following countries: Austria, Belgium, Ecuador, England, Italy, Morocco, New Zealand, Northern Ireland, Spain, and Trinidad and Tobago. Search site to find a program by major or interest area.
