THE COLLABORATIVE MBA

Plan of study for students starting the MBA program in 2027-2028

Courses use a hybrid format with some course instruction provided asynchronously, online and some course instruction provided during Thursday evening class session times using remote learning technology (Microsoft Teams, Google Meet, or Zoom). The course syllabus will provide the dates/times for class sessions. Thursday evening class session times will be determined by the professor, but will take place between 6 and 10 pm (Eastern time).
