

MID-WEEK MOTIVATOR

EMU CAREER SERVICES: DECEMBER 2024

PUBLIC SERVICE FELLOWSHIP, CHESTERFIELD COUNTY, VA

Chesterfield County, VA, is seeking applicants for the Stegmaier Public Service Fellowship, a two-year rotational fellowship beginning July 2025. The fellowship rotations are customized to maximize your strengths, enhance your learning, and provide opportunities for growth. You'll gain exposure to departments, services, and governance processes that are vital for long-term success. Upon completion of the fellowship, you are encouraged to apply for a full-time position within the county. Students graduating by spring 2025 with a passion for serving others, expressed interest in local government and demonstrated interpersonal skills are encouraged to apply.

Visit www.chesterfield.gov/careers to apply by Sunday, December 8.

HAPPY HOLIDAYS!
Have a safe and relaxing holiday break, and we will see you in January!

PAID INTERNSHIP OPPORTUNITY WITH LOCAL AGENCY

Erie/LD&B Insurance is accepting applications for a 13-week paid internship opportunity in the Harrisonburg branch. Interns will experience hands-on learning with agency team members, gain sales and marketing knowledge and assist with daily tasks. Interns will also have the opportunity to earn a Property and Causality Insurance license at the end of the program. Interested students may email resumes to careers@ldbinsurance.com.

SUMMER 2025 PAID LABORATORY INTERNSHIPS

Virginia's state laboratory, DCLS, offers a wide variety of unique laboratory testing services in support of public health, environmental protection, food safety and emergency response for the Commonwealth of Virginia. DCLS performs over 9 million tests each year to ensure the safety and health of Virginia's citizens, food supply and environment.

Applications for the 2025 DCLS summer internship program in Richmond, VA, are now being accepted. DCLS internships are open to rising junior or senior undergraduates, recent college/university graduates, and graduate students. The applicant must be a Virginia resident or attending a Virginia college or university.

Positions are available in a variety of areas, including (but not limited to) clinical microbiology, genomic epidemiology, immunology and quality assurance. [Visit the DCLS application webpage](#) for more information or to apply.

CAREER TIP OF THE MONTH

DO YOU PLAN TO START OR CONTINUE A JOB SEARCH DURING THE HOLIDAY BREAK???
