INFORMATION TECHNOLOGY SUMMER INTERNSHIPS

The Virginia Information Technologies Agency (VITA) is now accepting applications for the summer 2025 internship program. Multiple positions are available in administration, communications, customer experience, cybersecurity risk management, enterprise and cloud solutions, finance, legal and legislative services, infrastructure services and internal IT.

The nine-week program will begin on Monday, June 2 and run until Friday, Aug. 1. Interns will join the team in person at the VITA office in North Chesterfield, VA. Some opportunity for telework will be available.

Visit the [VITA website](#) for more information and to view the application.

PAID INTERNSHIPS WITH APPALACHIAN CONSERVATION CORPS

Appalachian Conservation Corps is currently hiring 30 interns for roles in partnership with the National Park Service, the U.S. Forest Service, and conservation nonprofits across Virginia, Maryland, D.C., West Virginia and Ohio! Internships range in length from summer to year-long positions, and include roles in resource management, trail work, interpretation/education, community engagement and more.

If interested, you can find more information about opportunities on the organization's placements webpage: <https://appalachiancc.org/individualplacements>.
