

MID-WEEK MOTIVATOR

EMU CAREER SERVICES: APRIL 28-MAY 4

LOCAL ENGINEERING INTERNSHIP PROGRAM

Colman Engineering in Harrisonburg is accepting applications for engineering internship positions. Interns will assist with preparing engineering drawings and plans, conduct research, collect data, participate in field visits and more. Students who are pursuing or recently completed degrees in Mechanical Engineering or Environmental Science and have familiarity with AutoCAD and Civil 3D are eligible to apply. This is an unpaid internship during the initial training period. Once the intern completes training and demonstrates proficiency in AutoCAD drafting and related tasks, the position can become paid. THE SHALOM PROJECT POST-COLLEGE GAP YEAR PROGRAM

The Shalom Project is a post-college gap year program in Lancaster city, PA. During the program you would live in a house with other participants, serve the community through a full-time, professional internship, and participate in weekly seminars focused on personal growth and Christian spiritual formation. The goal is to help you experience God's shalom (wholeness, peace, well-being) and extend shalom in the community. Internships are offered in a variety of fields, including working with refugees and immigrants, education and literacy, restorative justice, sustainability, and small business development.

If you are interested, apply online at <https://shalomlanaster.org/apply> by June 1! Reach out to julian@shalomlanaster.org with any questions.

BON SECOURS VOLUNTEER MINISTRY IS SEEKING APPLICANTS

Bon Secours Volunteer Ministry (BSVM) is seeking additional applicants for the 2025-2026 service year. BVSM is a service-focused, faith-based year of ministry for young adults aged 21-26. Ministry Volunteers serve full-time in Baltimore MD and Richmond MD at placements set in both clinical (at a community hospital) and non-clinical settings (middle/high school and community outreach). Volunteers commit to grow spiritually, live simply, learn through service with others, develop community, and practice God's justice. BSVM provides each community of ministry volunteers housing, transportation, the option of insurance, a monthly stipend, and staff support.
