

Would you recommend using this teacher/school for future placements?

Yes ☒ No ☐ Please explain your answer.

Classroom & students are great & Ms. [redacted]'s instruction is helpful to observe & interact with. She is also willing to let me step in & lead lessons & allows plenty of interaction with students & other teachers during activities & IEP meetings.

Would you recommend using this teacher/school for future placements?

Yes ☐ No ☒ Please explain your answer. Even though I got to do stuff on my list, I found myself just sitting there for most of the time.
