

Field Experience Survey Questions*

Practicum Teacher
Practicum Student
School
To what degree were the expectations for my role as a practicum teacher clearly communicated?
To what degree were EMU's expectations of the practicum student applicable for your classroom setting?
To what degree was your practicum student prepared to participate effectively in your classroom?
What other comments or suggestions do you have that would inform future EMU practicum experiences?

*At the end of each semester practicum teachers receive these questions via email and respond through an electronic survey.
