

What does the Lord require of you, but to do justice, love mercy, and to walk humbly with your God?
– Micah 6:8

MISSION

EMU prepares students to serve and lead in a global context.

Our community of learning integrates Christian faith, academic rigor, artistic creation, and reflective practice informed by the liberal arts, interdisciplinary engagement, and cross-cultural encounter.

VISION

We will open new pathways of access and achievement for all students who aspire to grow as unifying leaders equipped with intercultural competence, oriented toward peace and justice, and rooted in an active faith modeled on the life and teachings of Jesus.

VALUES

EMU's mission and vision are grounded in the enduring biblical values of Christian discipleship, community, service, and peace.

These values are embodied throughout the university in our distinctive commitment to peacebuilding, social justice, cross-cultural engagement, and sustainability. Rooted in the Anabaptist tradition, we follow Jesus' call to bear witness to truth, serve with compassion, and walk boldly in the way of nonviolence and peace.

Congratulations, Eastern Mennonite University graduates of the Class of 2022.

I welcome you to a great day – your graduation. Today is a special occasion to celebrate your significant achievements with family and friends. You are our guests of honor!

What an extraordinarily challenging two years you have endured through the pandemic. You showed strength of character, courage, and creativity. These are powerful life skills that will serve you well wherever you go.

As importantly, in times of distress and disorientation, we learned the power of our motto: Lead Together. We discovered imaginative ways to become a resilient community of learners. We found strength and refuge in a loving God. We learned the wisdom of an African proverb: *“If you want to go fast, go alone. If you want to go far, go together.”*

Thank you for sharing your lives with us at EMU.

You now enter a new stage as alumni – joining over 22,000 worldwide. You will continue to be a valued member of the EMU community. Please come back, visit often, and keep us apprised of your lives and the ways you are serving your communities.

As you go forth to new opportunities, I pray that each of you will continue to follow Christ’s call to witness faithfully; serve compassionately; and walk boldly in the way of peace.

Be well, EMU Class of 2022. We are so proud of you.

Blessings,

A handwritten signature in black ink, appearing to read "Susan Huxman". The signature is fluid and cursive, with the first name "Susan" and the last name "Huxman" clearly distinguishable.

ABOUT THE COMMENCEMENT SPEAKER

Bryan Stevenson is the founder and executive director of the Equal Justice Initiative, a human rights organization in Montgomery, Alabama. Under his leadership, EJI has won major legal challenges eliminating excessive and unfair sentencing, exonerating innocent death row prisoners, confronting abuse of the incarcerated and the mentally ill, and aiding children prosecuted as adults.

Mr. Stevenson has argued and won multiple cases at the United States Supreme Court, including a 2019 ruling protecting condemned prisoners who suffer from dementia and a landmark 2012 ruling that banned mandatory life-imprisonment-without-parole sentences for all children 17 or younger. Mr.

Stevenson and his staff have won reversals, relief, or release from prison for over 135 wrongly condemned prisoners on death row and won relief for hundreds of others wrongly convicted or unfairly sentenced.

Mr. Stevenson has initiated major new anti-poverty and anti-discrimination efforts that challenge inequality in America. He led the creation of two highly acclaimed cultural sites which opened in 2018: the Legacy Museum and the National Memorial for Peace and Justice. These new national landmark institutions chronicle the legacy of slavery, lynching, and racial segregation, and the connection to mass incarceration and contemporary issues of racial bias. Mr. Stevenson is also a Professor of Law at the New York University School of Law.

Mr. Stevenson's work has won him numerous awards, including the prestigious MacArthur Foundation "Genius" Prize; the ABA Medal, the American Bar Association's highest honor; the National Medal of Liberty from the American Civil Liberties Union after he was nominated by United States Supreme Court Justice John Stevens; the Public Interest Lawyer of the Year by the National Association of Public Interest Lawyers; and the Olaf Palme Prize in Stockholm, Sweden, for international human rights. In 2002, he received the Alabama State Bar Commissioners Award. In 2003, the SALT Human Rights Award was presented to Mr. Stevenson by the Society of American Law Teachers. In 2004, he received the Award for Courageous Advocacy from the American College of Trial Lawyers and also the Lawyer for the People Award from the National Lawyers Guild. In 2006, New York University presented Mr. Stevenson with its Distinguished Teaching Award. Mr. Stevenson won the Gruber Foundation International Justice Prize and was awarded the NAACP William Robert Ming Advocacy Award, the National Legal Aid & Defender Association Lifetime Achievement Award, the Ford Foundation Visionaries Award, and the Roosevelt Institute Franklin D. Roosevelt Freedom from Fear Award. In 2012, Mr. Stevenson received the American Psychiatric Association Human Rights Award, the Birmingham Civil Rights Institute Fred L. Shuttlesworth Award, and the Smithsonian Magazine American Ingenuity Award in Social Progress. Mr. Stevenson was inducted into the American Academy of Arts and Science in 2014 and won the Lannan Cultural Freedom Prize. In 2015, he was named to the Time 100 list recognizing the world's most influential people. In 2016, he received the American Bar Association's Thurgood Marshall Award. He was named in Fortune's 2016 and 2017 World's Greatest Leaders list. He received the Martin Luther King Jr. Nonviolent Peace Prize from the King Center in Atlanta in 2018.

Mr. Stevenson has received over 40 honorary doctoral degrees, including degrees from Harvard, Yale, Princeton, the University of Pennsylvania, and Oxford University. He is the author of the critically acclaimed New York Times bestseller, *Just Mercy*, which was named by Time Magazine as one of the 10 Best Books of Nonfiction for 2014 and has been awarded several honors, including the American Library Association's Carnegie Medal for best nonfiction book of 2015 and a 2015 NAACP Image Award. *Just Mercy* was recently adapted as a major motion picture. He is a graduate of the Harvard Law School and the Harvard School of Government.

Graduates, today we send you, as God's Spirit calls, to serve and lead wherever your paths may take you in this wide world.

Go as one of us, extending the mission of our university into a world crying out for peace and justice.

Bear witness to truth, serve with compassion, and walk boldly in the way of nonviolence and peace.

In our community of learning, you have acquired new knowledge, values and skills. Use them to do justice, love mercy, and walk humbly with God.

Go, receiving and sharing the good news of love, grace, healing, and hope with all you meet along the way.

Our prayers go with you. May God bless each of you with courage, wisdom, and joy for your journey.

WELCOME TO THE EMU ALUMNI ASSOCIATION

Congratulations to you, the Class of 2022! Today you join thousands of EMU alumni around the world who have been the recipients of an education at Eastern Mennonite University. As an EMU student, you were challenged in mind, nurtured in spirit, and broadened in perspective. The world has, in turn, benefited from what you have learned at EMU. May you continue to share your knowledge and gifts with those around you to the glory of God.

As a student and as a class, you were a very important part of EMU, sharing your unique gifts and enriching the campus community. You will not be forgotten. As an alum, you will always be connected to EMU.

Receive the benediction of the Apostle Paul from II Corinthians 13:14:

*May the grace of the Lord Jesus Christ,
and the love of God,
and the fellowship of the Holy Spirit
be with you all.*

On behalf of the EMU Alumni Association,
Jennifer North Bauman, director of alumni and parent engagement

INTERCULTURAL PROGRAM AND HISTORY

As part of EMU's vision to explore and learn the ways God is active in our world and in all cultures, EMU's intercultural programs equip students with intercultural competence in order to become successful in their work and lives. All undergraduate students complete eight to nine semester hours of intercultural credit which include designate classes and an immersion experience. EMU's intercultural programs have been providing semester and summer experiences to students for 39 years. EMU's unique approach to intercultural learning combines didactic and experiential requirements to allow students to develop critical awareness of themselves, others, and God in a global and local context.

The interactive forces which shape any society—religious, economic, social, artistic, geographic, historical—provide the materials for study and living in another setting. Students are asked to demonstrate their global awareness and document their understanding of the interdependence of cultures and nations. The colorful stoles worn by some students at commencement represent these significant intercultural experiences. In all cultures, faith and spiritual awareness is discovered through cultural expression in the arts, music, ritual and customs. Living in another cultural context provides students with the opportunity to reflect on their own faith experience in light of diverse religious beliefs and experiences, and where Christianity is present, to encounter another Christian community, discovering the relevance of the person and life of Jesus in that setting.

To understand and value one's own culture alongside the culture of another is important in EMU's Core Curriculum. The world in which we live, rapidly changing and increasingly smaller, calls for people who have learned truths and commonalities which lie beyond the boundaries of each culture.

The first faculty-led, semester-long intercultural group traveled to Switzerland in 1972, but beginning in 1983 EMU instituted the requirement as part of its undergraduate general education program. Interest in other cultures developed as many Mennonites returned from alternative military service overseas during and after World War II. As a result, many realized that their intercultural service had transformed and educated them in profound ways. Because of this life-transforming potential, and because EMU believes strongly that education should be a life-transforming experience, EMU has made intercultural programs the keystone of the EMU Core Curriculum. In the years since 1983, the campus has become increasingly diverse with many cultures represented within the student body. What we once learned only by travel we also learn in on campus interactions. As we strive to become a thriving intercultural university, several graduate programs also include optional or required intercultural experiences.

EMU AT LANCASTER

Eastern Mennonite University established an extension site in Lancaster, Pennsylvania, in 1987. What began as a mechanism to provide non-credit pastoral training has evolved into a site that offers four degree-granting programs, each addressing specific workforce and applied liberal arts needs in the region. Program areas include nursing, graduate teacher education, leadership and organizational management, and aviation. EMU at Lancaster is located in the Greenfield Corporate Center and currently serves nearly 500 adult learners and is a teaching center of Eastern Mennonite Seminary. Lancaster students are designated with an (L) beside their name.

ACADEMIC TRADITIONS

Academic celebrations such as today's commencement began in medieval Europe, where institutions of higher learning were customarily operated by monastic orders. In the late 19th century, American colleges and universities began the practice of wearing academic attire in order to lend color to academic festivals.

EMU undergraduate degree recipients wear a simple royal blue gown and mortarboard. Master's degree recipients wear a royal blue gown with pointed sleeves slit at the elbow. Doctoral degree recipients wear a royal blue doctoral gown with velvet trim. The border coloring of the master's and doctor's hoods indicates the discipline in which the degree was awarded. For EMU graduate degrees these include white for conflict transformation, light blue for counseling and education, drab for business administration, kelly green for biomedicine, peach for nursing, dark blue for restorative justice, and white for interdisciplinary studies and organizational leadership.

Our faculty and staff in the processional also wear academic attire that identifies their degree, discipline and granting institution. The doctor's gown features wide velvet lapels, either black or the color of the scholar's specialization. Three velvet chevrons adorn the full, bell-shaped sleeves. The color of the larger and more heavily decorated hood, worn around the neck and draping down the back, indicates the scholar's discipline. The satin lining conveys the official colors of the institution awarding the degree. The colors representing the disciplines are standardized as follows:

Arts, Letters, Humanities.....	White	Fine Arts, Dramatic Arts	Brown	Organizational Leadership...	White
Biomedicine	Kelly Green	History.....	White	Philosophy	Dark Blue
Business Administration	Drab	Interdisciplinary Studies	White	Physical Education	Sage Green
Conflict Transformation	White	Law	Purple	Restorative Justice	Dark Blue
Counseling and Guidance.....	Light Blue	Library Science.....	Lemon	Social Work.....	Citron
Economics.....	Copper	Literature	White	Science	Golden Yellow
Engineering	Orange	Music	Pink	Theology	Scarlet
Education.....	Light Blue	Nursing.....	Peach	Transformational Leadership..	White

ACADEMIC HONORS

Academic Honors are awarded to baccalaureate degree students who have earned a cumulative grade point average of 3.6 or above (A = 4.0) and with no grade lower than a "C-" at EMU. To qualify for graduation honors, a student must have completed at least 48 (31 for graduates of the Leadership and Organizational Management and Registered Nurse to Bachelor of Science in Nursing programs) graded semester hours at EMU. The honor and corresponding grade point average are listed as follows:

****Summa Cum Laude* ~ 3.90 - 4.00 GPA

***Magna Cum Laude* ~ 3.80 - 3.89 GPA

**Cum Laude* ~ 3.60 - 3.79 GPA

CORDS OF DISTINCTION

The Cords of Distinction honor has its origins in what is presently Multicultural Student Services. Ten students nominated by faculty, staff, students or administrators for this honor wear the blue and gold “Cords of Distinction.” During their academic careers, they have consistently demonstrated a positive effect on the internal community (EMU and students), the external community (Harrisonburg and beyond), with particular emphasis on service to marginalized communities. In addition, they are in good standing academically and socially. Blue represents the strength of conviction that one person can help to create a better institution or community. It also symbolizes the willingness and openness to share thoughts and ideas. Gold represents the love of spirit and yearning towards creating a better university environment or community in which all may take part.

HONORS PROGRAM

EMU Honors is designed to provide academically motivated students with greater opportunities for challenge and growth, and to help students:

- Develop the ability to examine ideas as human constructs made to bring order to chaos and sense to life, and the ability to respectfully and systematically wrestle with ideas, even those fundamental to core beliefs.
- Develop the ability to read and use the wide variety of “texts” that derive from and drive the ideas formed by human experience.
- Develop tools to remain healthy and balanced amidst the process of exploring the big ideas that guide society and culture, and the ability to contextualize one’s own story amidst the Biblical understandings of the wider Anabaptist and Christian traditions.
- Develop the ability to formulate, critique and implement ideas in a leadership capacity.

To graduate as an Honors student, students must complete the three core Honors courses, be extensively involved in campus activities, and end their career with a 3.5 or higher cumulative GPA. To graduate with an Honors minor, students must also complete an extensive project and present it to the wider EMU community.
