THE ROYALS DEN

The relaxing atmosphere and delicious food at reasonable prices characterizes the Royals Den. Transfer meals can be taken weekdays and Sundays for lunch and dinner.

CATERING

If you have a special occasion for which you want us to provide food, please talk with a manager. We'd be pleased to provide catered food service for your event at a reasonable charge. Planning well in advance is instrumental in making your catered event a success.

A MATTER OF CHOICE

Because your healthy diet is important, we developed a complete nutritional awareness program for our guests called, "A Matter of Choice." Many resources are available, so if you have any questions about our program, please contact your food service director. You may also visit our website at www.pconline.com to contact our registered dietitian who can provide confidential responses to specific nutritional questions.

TAKEOUT / SICK TRAYS

Our “Green on the Go” program is available to anyone that chooses. Simply pay a one time deposit of \$5 and receive a polypropylene take out container and set of recycled stainless steel cutlery. Then bring back the dirty container and silverware and exchange it for a clean kit or a “Green on the Go” card. The card can be redeemed at any time for a clean “Green on the Go” container. At the end of the semester when you return the complete kit you receive your \$5 deposit back.

If your class or work conflicts with the dining hall schedule, takeout meals can be prepared in advance. Simply see a manager to arrange for your meal. Please allow 24 hour notice for your request.

If you are too sick to attend a dining hall meal, you may obtain a note from your Resident Director or School Nurse to have a friend or roommate obtain a sick tray for you. Your ID card will be required.

SPECIAL TREATS!

Surprise a friend with a survival packages, fruit baskets, birthday cakes, cookies or other treats during exams or at other important times. See a manager to order special delivery on campus.

ID CARDS / LOST CARDS

You must show your ID card to be admitted to the dining hall. Enforcing this policy consistently helps us to ensure that you are getting the most for your board dollars.

You must have an alternative means of identification if your EMU ID is lost. A temporary pass will be issued for a short period until a new ID card is made at Learning Resources.

EMPLOYMENT OPPORTUNITIES

Employing students is important because it helps many students with their school expenses and helps us to stay in touch with the students we serve. To find out about current opportunities, flexible hours and the procedures for working with food service, just ask your manager. We'd like to have you as part of our team!

HELP US HELP YOU

There are a few things you can do to help us provide the best service to all members of the Eastern Mennonite University Community:

- **No Food Carried Out** - Unauthorized carrying out of food increases the cost of your food program and can contribute to other health and sanitation problems. We appreciate your understanding and compliance with this policy.
- **China, Glasses & Silverware** – Please do not carry serviceware from the dining hall. Doing this creates a shortage and increases the cost of providing you with the highest quality dining program for your money.
- **Bus Your Own Tray** – Please carry your dishes to the dish return as you leave the dining hall.
