

EPP Program Completer Graduation Rates

Initial program cohort start date	Cohort Total N	100% time to complete		150% time to complete	
		Graduation rate N	Graduation rate %	Graduation rate N	Graduation rate %
2011	29	25	86.2	27	93.1

100% time to complete = 4 year graduation rate for undergraduate completers

150% time to complete = 6 year graduation rate for undergraduate completers

While completing within 100% of the expected time is ideal the standard measurement for success is graduation within 150% of the normal time. Education program completers are those who earn a degree within the indicated time and also meet the education program requirements.
