## 2017 Alumni Survey Evaluation

### Annual Report

	Student Feedback	Faculty Review	Modification(s) Made Based on Feedback	Discussion and/or Other Program Changes
<i>Additional Trauma Training</i>	2018-2019 Planning Retreat, July 8	Beginning fall 2018, all internship students will be required to attend a 2 day STAR training. Additionally, with the hiring of Dr. Greg Czyszczon, Director of the Trauma Informed Community Network in Harrisonburg, students will receive trauma informed training in their foundational courses, i.e. Techniques and ICP.		Students will receive trauma-informed training in Human Growth and Development (Dr. Cline), Techniques (Dr. C.) -- specifically transgenerational trauma
<i>Expand more with Addictions, i.e. rise of opioid use and legalization of marijuana</i>	2018-2019 Planning Retreat, July 8	Our new hire, Dr. Jennifer Cline will be teaching the Addictions course in spring 2019 and intends to deeply address these issues.		
<i>More mentoring</i>	2018-2019 Planning Retreat, July 8	We have a long established formal advising process and an open door policy. Students are engaged in many ways. We are in the process of designing a research course that would pair students with faculty for research projects.		
<i>More Training on Medicaid</i>	2018-2019 Planning Retreat, July 8	Because of our HRSA grant, our focus is on clients whose main or only insurance is Medicaid. Medicaid is discussed in the Professional Identity course, in Crisis counseling, and in the History and Philosophy course.		
<i>Continued focus on creativity and teaching in a soulful way</i>	2018-2019 Planning Retreat, July 8	We are committed to maintaining a soulful, heart-centered program. Expressive Arts, Mindfulness and experiential learning are foundational components of our program.		Two expressive arts professional development trainings will be offered in the fall.

## 2016 Supervisor Survey Evaluation

### Annual Report

	Supervisor Feedback	Faculty Review	Modification(s) Made Based on Feedback	Other Program Changes
<i>More training/focus on clinical writing and documentation</i>	2018-2019 Planning Retreat, July 8	We continue to address this when needed, but will implement formal training in the Techniques course, Fall 2018.	Dr. C will review clinical writing and documentation in the Techniques class. Practicum faculty supervisors will also address this in the practicum course	
<i>Time management</i>	2018-2019 Planning Retreat, July 8	Time management will be addressed beginning in orientation and throughout the program. Formal ways we will do this include training and assessment in practicum and internship.	Time management is addresses as a professional practice in practicum and internship preparation.
