

## EMU at Lancaster Aviation Fees 2024-25 Rates

\*Base Prices calculated at Median Flight Hours and Fluctuating fuel costs. Flight Fees consist of Flight Time, Instructor Time, and Simulator Time and will be audited each term. \*Students needing more than Median Hours to complete certification will be billed by Aero-Tech for overage costs. \*Students needing fewer than Median Hours to complete certification will be able to roll remaining hours into the next course. Additional fuel surcharge may apply.
