

**HIGH SCHOOL
STUDENTS**

IN COLLABORATION WITH

PREPARE FOR TAKEOFF

BECOME AN AIRLINE PILOT

Start today at our local flight training school, Aero-Tech Services, Inc. Our partnership with this specialized training provider represents an integrated and collaborative approach to delivery of a collegiate aviation program. Earn high school and college credits while working towards your Private Pilot Certificate.

At EMU at Lancaster, we partner with Aero-Tech Services, a FAA Part 141 flight school in Central PA.

Students benefit from having:

- ▶ Clear, pre-defined pathway for flight training and academic courses
- ▶ Modern fleet
- ▶ Industry partnerships

TEXTRON AVIATION

YOUR PATH TO AN AVIATION CAREER

- ▶ Early enrollment opportunities for high school students

- ▶ FAA Part 141 flight instruction

- ▶ Our program is eligible for federal student financial aid

- ▶ Guaranteed weekly flight training slots
- ▶ Guaranteed aircraft
- ▶ Guaranteed flight instructor availability

- ▶ Pilot flow programs with regional airlines

- ▶ Graduates of our Collegiate Aviation program are qualified to train and test for the Airline Transport Certificate at 1000 hours of flight time.

- ▶ Bachelor's degree + 5 FAA pilot credentials.

- ▶ Accredited by the Southern Association of Colleges and Schools Commission on Colleges

In its 2021 Pilot and Technician Outlook, Boeing is projecting that 612,000 new civil aviation pilots will be needed globally over the next 20 years. We are helping meet the global demand for qualified and competent pilots worldwide!

- ▶ Start flying your first semester.
- ▶ Aviation internship built into the program.
- ▶ All aviation and leadership courses are in person.
- ▶ Extraordinary support from qualified faculty and staff.
- ▶ Access to regional airline cadet and pilot prep programs.
