Graduate/seminary students may register for courses in more than one graduate program in a single semester. Such students are reported according to the program they are pursuing rather than by the program(s) in which they are currently registered.

Graduate enrollment includes both degree seeking and non-degree seeking students.

Graduate Education Program enrollment will vary significantly from semester to semester because classes may begin after the date when this report is prepared.

Transfer students are assigned to the year or program they are pursuing.

A first-time student has no prior postsecondary experience attending any institution at the undergraduate level.

Undergraduate students are reported by student classification, Graduate students are reported by divisional department, report is not location specific
