¹ LOM and RN to BS program enrollments may vary significantly from semester to semester due to the timing by which the program cohorts begin their classes.

² Graduate/seminary students may register for courses in more than one graduate program in a single semester. Such students are reported according to the program they are pursuing rather than by the program(s) in which they are currently registered.

³ Graduate Education Program enrollment will vary significantly from semester to semester because classes may begin after the date when this report is prepared.

⁴ As of fall 2017, distance learning students will be reported according to the location where their courses are based.

⁵ As of fall 2017, all CPE enrollment is for credit and is reported accordingly.
