

EMS Clinical Pastoral Education

Advanced CPE – Two Units

May – August 2019 (Spring – Summer Unit)

September 2019 – February 2020 (Fall – Winter Unit)

These units are particularly intended for those who have completed at least one unit of CPE in the EMS Program and who seek an additional unit for a certification process or to refresh and build on the learning gained in the first unit.

CURRICULUM: Emphasized will be self-learning through case study seminars, group and individual coaching, personal reading and writing, didactic presentations, audio-visual resources, individual learning goals and applying theory to one's practice of ministry. Foundational to this effort will be studying one's own relationship systems---family, workplace and/or faith community through the lens of Bowen Theory.

OUTCOMES: This program is designed to assist participants to demonstrate the Objectives and Outcomes of ACPE. On this behalf participants can expect to develop the following capacities: increased ability to identify common symptoms of anxiety in self, families and communities and more effectively engage challenging family, work and/or ministry relationships.

FORMAT: These units will be "hybrid" units---group meetings will include face to meetings as well as on-line by video-conferencing technology. Meeting schedule will be informed by participants. Intended to be accessible to students beyond Virginia. For more information:
