Purpose:

- To help pastors to thrive in their leadership roles through making it financially possible for those to attend SLT who otherwise could not benefit from this opportunity for ongoing education, enrichment, support and fellowship.
- To alleviate the financial stress that detracts from the thriving of pastors, particularly for, but not limited to bi-vocational pastors in small, rural or urban congregations.

Qualifications:

- Demonstrate a need for financial assistance in order to be able to attend SLT.
- Recommendation from a conference minister or district superintendent to receive this Thriving in Ministry scholarship.

Guidelines/Procedure:

1. Submit an application form demonstrating the financial funds needed in order to attend SLT. The application must include the signature of your conference minister or district superintendent or the equivalent.
2. Scholarships are awarded on a first come, first served basis until the available funds are exhausted.
3. Priority will be given to pastors who have never attended SLT due to financial barriers.
4. Bi-vocational pastors serving small rural or urban congregations are encouraged to apply.
5. Applications for scholarships are due to Veva Mumaw at veva.mumaw@emu.edu no later than December 1, 2019. Recipients will be notified on or before December 10, at which time those receiving scholarships will need to register for SLT by December 20.
